**Daisy Spot Free** is a premium, low VOC interior emulsion paint specially developed to resist everyday stains such as ketchup, tea, coffee, juice, ink, and hand marks. The stains can be wiped away easily without harming the paint surface. It delivers excellent coverage along with strong protection for masonry areas, including brickwork, plastered walls, cement surfaces, and wall boards.

ENVIRONMENT-FRIENDLY
LOW VOC

For best results, apply **DAISY Acrylic Water Primer Exterior** as the base coat.
